

Zeigler® Koi Grower is a high performance diet designed to meet the demanding needs of growing fish during earlier stages of development. The diet contains spirulina and other natural marine ingredients to enhance the vibrant colors of your fish. Stable vitamin C and brewers yeast are included to help improve immune function and promote healthy tissue development. Higher levels of marine protein sources are incorporated to maximize palatability, digestibility, and growth.

Features & Benefits

- Provides higher nutrient densities for growing fish in earlier stages of development
- Fortified with Spirulina and other natural marine ingredients to enhance coloration
- Contains stable Vitamin C & Brewers Yeast to promote healthy fin, gill, and tissue development
- Formulated for high palatability and digestibility to minimize excreted waste
- Excellent floatability and water stability...does not cloud the water
- Nitrogen-preserved to improve shelf-life and freshness

Feeding Instructions

Feed as the sole diet 1 to 3 times daily. No supplementation is necessary for healthy fish. Feed freely; only as much as the fish will consume in 5 minutes of feeding.

Storage Instructions

To maximize shelf-life and maintain nutritive value, keep stored in a closed container in a cool, dry place away from sunlight.
