

Zeigler® Pond Fancier is a nutritionally complete and balanced diet for all pond fish. The diet is formulated with stable vitamin C and brewers yeast to help improve immune function and promote healthy tissue development. Higher levels of marine protein sources are incorporated to maximize palatability and digestibility.

Zeigler® Pond Fancier is a wheat based diet, ideal for feeding during colder periods of the year. The low protein/low fat content makes it a lower energy diet that is easily digested when fish are experiencing colder water temperatures.

Features & Benefits

- Wheat based formula ideal for colder water temperatures
- Utilizes optimal nutrient densities to help assure adequate nutrition
- Contains stable Vitamin C & Brewers Yeast to promote healthy fin, gill, and tissue development
- Formulated for high palatability and digestibility to minimize excreted waste
- Excellent floatability and water stability...does not cloud the water
- Nitrogen-preserved to improve shelf-life and freshness

Guaranteed Analysis

Crude Protein	Minimum	28.0%
Crude Fat	Minimum	4.0%
Crude Fiber	Maximum	5.0%
Moisture	Maximum	11.0%
Ascorbic Acid (Vit. C)	Minimum	175 mg/kg

Feeding Instructions

Feed as the sole diet 1 to 3 times daily. No supplementation is necessary for healthy fish. Feed freely; only as much as the fish will consume in 5 minutes of feeding.

Ingredients

Wheat Flour, Dehulled Soybean Meal, Wheat Middlings, Fish Meal, Hydrolyzed Feather Meal, Dicalcium Phosphate, Ground-Extruded Whole Soybeans, Salt, Manganese Proteinates, Zinc Proteinates, Copper Proteinates, Calcium Iodate, Iron Proteinates, Cobalt Proteinates, Calcium Carbonate, Sodium Selenite, Vitamin A Acetate, Vitamin D3 Supplement, dl-Alpha Tocopheryl Acetate (Vitamin E Supplement), Vitamin B12, Riboflavin Supplement, Niacin, Calcium Pantothenate, Menadione Sodium Bisulfite Complex (source of Vitamin K Activity), Folic Acid, Thiamine Mononitrate, Pyridoxine Hydrochloride, Biotin, Choline Chloride, L-Ascorbyl-2-Polyphosphate (source of Vitamin C).

5.0 mm
Floating
Pellet

Packaging Sizes Available

- 20 oz. canisters, nitrogen preserved
- 5 lb. plastic bag, nitrogen preserved
- 33 lb. paper bag

Storage Instructions

To maximize shelf-life and maintain nutritive value, keep stored in a closed container in a cool, dry place away from sunlight.
