5 Year Warranty

Ignite Lights are warranted against defective materials and workmanship for 60 months from the date of purchase by the user. Contact the installer or place of purchase if the light fails within the warranty period. Warranty shall be null and void in the event the light(s) is abused, misused, or used for a purpose other than for which the product is intended. No warranty applies to the light bulb used with the housing.

Ignite® White LED Light Kits

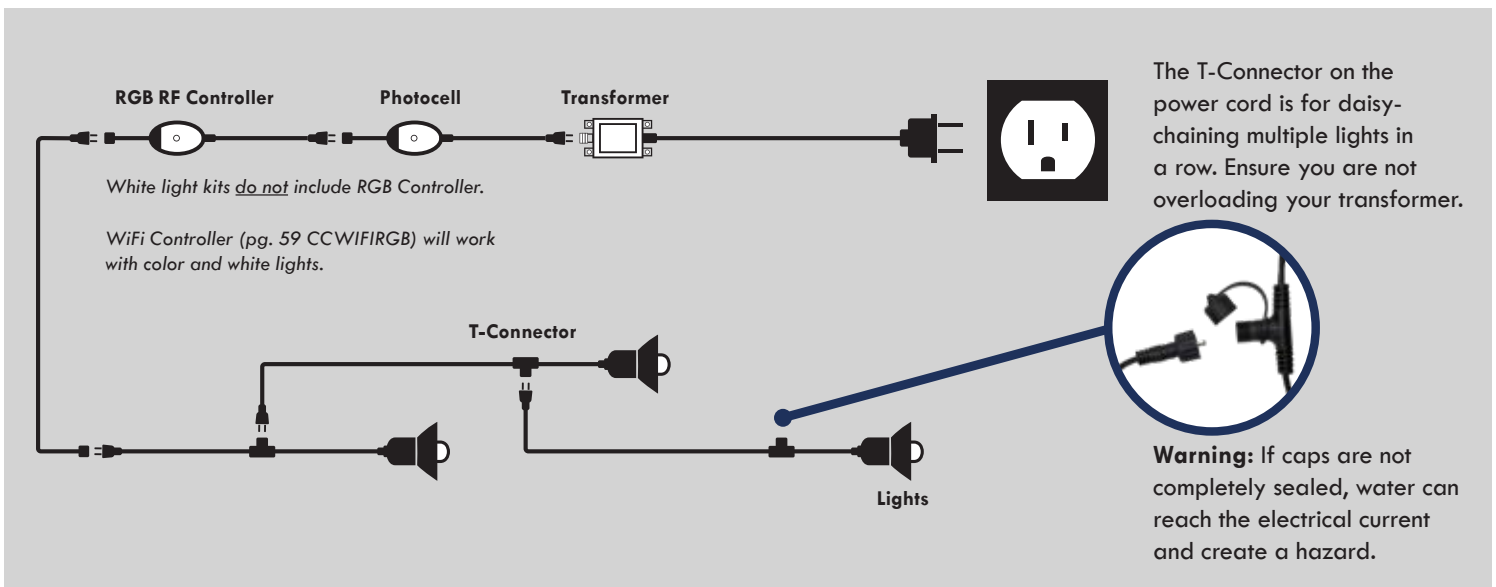

Ignite Light Kits include the same light fixture as Add-On Lights. In addition, kits include a photocell and a transformer that will allow you to add more lights to your landscaping. A remote is included with the Color Changing Light Kits. (Plugs for color changing lights and white lights are different size and cannot be mixed)
